

ENDOMETRIOSIS

CONTEMPORARY TOPICS IN IMAGING AND MANAGEMENT

FRIDAY 10th NOVEMBER 2017 – SCIENTIFIC MEETING

SATURDAY 11th NOVEMBER 2017 (SPACES LIMITED) – HANDS ON IMAGING TRAINING USING STATE OF THE ART ULTRASOUND SIMULATION AND 3D IMAGE POST-PROCESSING AND LAPAROSCOPIC SIMULATION

BSGI  British Society for Gynaecological Imaging

www.bsgi.org.uk

 **BSGE**

BRITISH SOCIETY for GYNAECOLOGICAL ENDOSCOPY

www.bsge.org.uk

Joint BSGE and BSGI meeting, discussing strategies in the modern management of endometriosis.

The meeting will cover contemporary topics in imaging and treatment of endometriosis.

For healthcare professionals involved in the care of women with endometriosis.

An excellent opportunity for BSGE Endometriosis Centres staff including gynaecologists, surgeons, nurse specialists, radiologists and radiographers to get together to exchange knowledge and experience. Also suitable for trainees with an interest in Gynaecological imaging or endometriosis surgery, and working towards the RCOG ATSMs in Benign Abdominal Surgery and Advanced Laparoscopic Surgery for the Excision of Benign Disease.

Topics cover include:

- Non invasive diagnosis and disease staging
- Presentation and discussion of on new guidelines on management of endometriosis

Post meeting half day Saturday 11th November 2017 (spaces limited)

- State of the art ultrasound simulator training for the imaging of severe endometriosis and interpretation of MRI and CT
- Laparoscopic simulation

 **Mercedes-Benz World**
at Brooklands

Brooklands Drive, Weybridge, Surrey KT13 0SL
